

2019 SCHOLARSHIP PROGRAM ANNOUNCEMENT

MONEY! MONEY! MONEY! MONEY! MONEY! MONEY!

The Board of Directors of VADA-CH announces that the education scholarships for 2019 will again be for \$500 each.

There will be two scholarships awarded again this year. There will no longer be a separation between upper and lower level riders. Both scholarships are open to all Chapter members.

You can use this money for any educational purpose related to dressage. All members are eligible and just need to meet the volunteer requirements and apply for the scholarship which is awarded at the September chapter meeting. After you use the scholarship money you just need to write an article for the newsletter telling the chapter members how you used the money.

How can it be any easier to get some money for training or other learning experiences? See the full rules for the scholarship on the VADA-CH web site and in the January 2019 newsletter.
