

REGARDING YEAR-END AWARDS AND SCHOLARSHIPS

We are publishing the year-end award and scholarship rules based on the hope that we will have somewhat of a more normal year for shows and clinics. As the year goes on, if COVID-19 causes more restrictions that would make it hard to meet requirements for year-end awards and scholarships, the Board will consider making changes to the rules to ease the requirements. If that decision is made, the new rules will be sent to members in a general email blast and published in the newsletter.
